Commercial vendors do very well at the Eastern Sierra Tri-County Fair for several reasons:

First, since we are a smaller Fair, we make every effort to avoid duplication of items sold. **We want you to make money!** Second, our staff pays close attention to layout of the grounds, placing commercial booths only in areas with the highest traffic!

Profits are nice of course, but there are many other reasons that many of our vendors return year after year. The town of Bishop is located in the beautiful Eastern High Sierra (just 35 minutes from Mammoth Mountain). The air and the water are clean and the views are always breathtaking! Many vendors make a vacation out of their trip to Bishop, staying a few extra days for hiking, camping & fishing! Plus, the people here are very friendly—

We promise to treat you right!

If you would like to be considered for a vendor space at our 2018 event, please complete the attached form and return it to us right away. We expect about 85% of our vendors to return from 2017 and the available spaces will be sold on a first-come, first-served basis.

If you have questions, or would like more information, feel free to call **(760) 873-3588**.
