Freestyle Reining Rules

The Freestyle Reining class is open to everyone. Freestyle reining provides an opportunity to use reining maneuvers creatively, but also to expand them to music by means of choreography. Riders are encouraged to use musical scores which permit them to show the athletic ability of the horse in a crowd appealing way.

Required Maneuvers:

1. A minimum of 4 consecutive spins to the right.
2. A minimum of 4 consecutive spins to the left.
3. A minimum of 3 stops.
4. A minimum of 1 lead change at the canter from right to left.
5. A minimum of 1 lead change at the canter from left to right.

Freestyle Rules:

1. Exhibitors will only be judged astride. Therefore, any movements performed off the horse must only be considered in the artistic impression score.
2. Jogging is allowed in Freestyle if it is an obvious part of the performance. However, in an instance where a jog should not be present, as in exiting a rollback or a lope departure, the proper penalty should be applied.
3. Time Limit – a maximum of 4 minutes including any introductions. The time limit will be from the beginning of the music or the introduction (whichever comes first) and will end with the music.
4. Failure to perform all the required maneuvers or failure to complete the performance within the time limit will result in a score of 0.
5. Exhibitors are allowed to use two hands (as well as one hand or no hands) and any approved bits including snaffle bits or bosals.
6. Costumes are permitted but not required. Emphasis is placed on performing the reining maneuvers to music.
7. All equipment used must be non-abusive to the horse.
8. Additional maneuvers such as rollbacks, backups, speed variations, and non-classical reining maneuvers such as the half pass and side pass are appropriate in Freestyle and shall be given appropriate credit.
9. Additional repetitions of required maneuvers are appropriate but will only add or subtract from the existing scores given for the required maneuvers, not as additional scores.

The above descriptions are for general information only. For detailed information please refer to the 2019 NRHA Rule Book.

Versatility Ranch Horse

The versatility Ranch horse division demonstrates the performance, versatility, and conformation of the working ranch horse. Exhibitors may show up to four horses. Four categories will be held. Category I: Ranch Riding, Ranch Trail, Category II: Ranch Reining. Category III: Ranch Cutting, Ranch Cow Working. Category IV: Ranch Conformation. Because this is a non-rated show, we allow cross-entering in to other western classes. (If this show was rated cross-entering would not be allowed).

Class Participation: No horse less than 3yrs of age may exhibit. No hoof polish. No braided or banded manes/tails or tail extensions. Trimming inside ears is discouraged. Trimming bridle paths is allowed, also trimming of fetlocks or excessive or long facial hair. Equipment with silver should not count over a good working outfit. Silver on bridles and saddles is discouraged. Holding the saddle horn with either hand will not be penalized in any class. Posting at trot is acceptable.

Ranch Riding: Horses shall be shown individually, and the class may be held inside or outside of an arena. The Ranch Riding Class measures the ability of the horse to be a pleasure to ride while being used as a means of conveyance from one ranch task to another.

Ranch Trail: The ranch trail class should test the horse's ability to cope with situations encountered in everyday riding.

Ranch Reining: The ranch reining class measures the ability of the stock horse to perform basic handling maneuvers.

Ranch Cow Work: The ideal stock horse must also be a cow horse and this class demonstrates and measures the horse's ability to do cow work. Holding the saddle horn is permitted.

Ranch Cutting: This class is judged on the ability of the horse to work a cow by separation it from the heard and holding it to demonstrate the horse's ability to work the cow.

Ranch Conformation: The purpose of ranch conformation is to preserve American Quarter Horse type by selection well-mannered individuals in the order of their resemblance to the breed ideal.

The above descriptions are for general information only. For detailed information please go to AQHA website or Stock Horse Texas 2019 Rules. The following is a class list for use in completing the entry blank. The day dates are shown. The list does not indicate time or order of go.
