SPECTACULAR RIDES

Different for 2019

Vertigo

The A.R.M Vertigo towers over the midway at 100 feet in height and seats twenty-four passengers. Each seat holds two riders who are secured by a lap restraint. Once the ride begins, the entire center twists in a circular motion. Riders enjoy a swinging sensation as the entire center track lifts up slowly until reaching the top of the ride. Once the swing ride reaches the top it begins to slowly swing in a descent

Ring of Fire

Love of the Midway is a burnin' thing, and in this case, it makes a fiery ring. On the **Ring of Fire** passengers are firmly secured in their seats within a train of cars and are taken on a journey that circumnavigates the inside of a 'ring of fire'. The train pauses only once at the top before cascading down the track backwards! The **Ring of Fire** is a spectacular ride just for teens and adults.

Century Wheel

Towering 67 feet, the Century Wheel is sure to offer spectacular views of the midway. The Century Wheel was recently fitted with high efficiency LED lights. Hundreds of bright beautiful patterns fill the sky, all while using less energy!

Zipper

The **Zipper** has been one of the Midway's most recognizable attractions for years, providing thrills to riders from teens to adults. There's more spinning going on with the Zipper than an out of control top. While the 'cages' holding two passengers each rise and descend on a tower boom, each spins independently and the entire boom turns, too. Three times the action, backed by spectacular lighting bringing them back for more.

Carousel

For decades, audiences have been awed by the beautifully handcrafted majesty of the carousel. To witness **The Carousel** is to see this piece of Americana in all its glory. This 38 foot Carousel features 36 jumping horses, and 2 chariots.

Parents and children create memories while they enjoy the sights and sounds of this beautiful ride together!

Alien Invasion

The Alien Invasion welcomes passengers aboard an enclosed alien spaceship. Once inside the entire ride revolves, spinning at 24 RPM and uses centrifugal force to sweep passengers you off of their feet giving them the feeling of weightlessness. All aboard this 45-person capacity Alien Invasion for one wild ride

MAJOR RIDES AND SHOWS

Passengers climb a stairway, higher and higher to the top of the slide and then laugh and scream with delight as they sail to the bottom.

Eagle 16

A staple of the American Midway, this 16-seat ferris wheel has eight front facing cars holding two riders in each. It offers both a gentle ride around the 360-degree vertical circle and a thrilling view, as riders are lifted high above the ground and able to see for miles.

On the **Dizzy Dragon** four magical dragons welcome children and parents aboard for a smooth ride. This ride is a great introduction for ride enthusiasts in training before stepping up to the Tilt A Whirl.

Rock N Tug

Those who normally go with the flow are encouraged to rock the boat a little this year at the Fair. This little tug boat spins, dips and peaks like riding an ocean swell. The **Rock N Tug** seats approximately 20 individuals so parents can take to the high seas with their children.
