

The Eastern Sierra Tri-County Fair Junior Livestock Program offers the youth of our community a quality, hands-on educational program. Our local youth learn “real world skills” including organization, financial management, responsibility, sportsmanship, teamwork, citizenship, and most importantly, positive work ethic.

These Livestock Exhibitors work hard all year in selecting, feeding, working and grooming their market animals. Their hard work pays off when these projects are judged, graded and sold. The Junior Livestock Show & Auction continues to encourage today’s youth to seek a future in agriculture, and to further their education.
