

Dear Junior Livestock Auction Buyer,

THANK YOU for supporting the Junior Livestock Program. The Eastern Sierra Tri-County Fair Junior Livestock Program offers the youth of our community a quality, hands-on educational program. Our local youth learn “real world skills” including organization, financial management, responsibility, sportsmanship, teamwork, citizenship, and most importantly, positive work ethic. These youth are our future leaders.

LIVESTOCK SHOW INFO

We will have a normal livestock show this year. Exhibitors will be able to show in person and the public may attend. We will still offer the livestream option for those that can't be here in person. We will have a link on our home page, WWW.TRICOUNTYFAIR.COM for all interested parties to watch. We will also include the show schedule so you can watch your favorite exhibitor. The show will be recorded and we will keep the livestream link on our site after the show. The livestream is brought to you by Jason Brown and Laughing Parrot Productions.

AUCTION INFO

The auction will be online. The auction dates are 6/23/21-6/26/21 (Wednesday-Saturday). It will close at 7PM on Saturday, 6/26/21. The sale will close “race horse style” which means the clock will reset each time a bid is updated on an animal. The clock will stop and the auction will close as soon as no new bids come in Add-Ons will remain active through Monday, 6/28/21. As a buyer, you can purchase an entire animal, split with family and friends, purchase and donate back to the exhibitor or to the auction committee as a resale. Or, you can add-on a flat dollar amount to one or multiple exhibitors. See below for buyer registration instructions.

 - “Buyer Name” is what will be displayed on the auction site when you are high bidder on a lot. If you don’t want your name to appear, just use initials, numbers or code name in that field. If you do this, please use your actual contact name in the “Contact Name” field so we know who you are.
- You will need to provide a valid cell phone number (not a landline) and email that will be verified during the registration process. This is how you will be contacted during and after the sale.

HOW TO BID ON AN ANIMAL

- You must be logged in to bid. Select the login tab at the top right corner of your screen.
- Search for your name in the drop-down list.
- Select Request Code to receive a 4-digit security code via text.
- Enter the code in the box below your name.
- Once you enter the code, you now have access to the sale as a bidder.
- The code is your bidding password for the auction and will be used throughout the auction.
- Once logged in, the auction screen will be visible and the auction animals will be shown by lot number.
- You can filter your search by clicking the icon at the top left corner of the screen.
- You can filter by division, club, or exhibitor’s name.
- All animals will be sold by the head.
- Weights will be added to all lots as soon as they weigh in for reference.
- You are able to set a maximum bid if you’d like.
- You can split the purchase between other registered buyers.
- You will receive a text message if you’re the current winning bid and someone out bids you.
- The sale will end in a horserace style finish, meaning the time will extend by a set number of minutes (2-4) each time a bid is placed during extended bidding. ***Example: the clock will reset to 4 minutes and if another bid is received 2 minutes later, it will go back to 4 minutes and start counting down again.***
- Final bidding for the purchase of the lot will end on Saturday, 6/26/21 @ 7PM.
- **IMPORTANT!** When you place your bid on any lot, a drop-down destination selection box will appear requesting your desired destination of the animal if you win the lot. The destination selection, for that lot, will remain the same and will not change when future bids are placed. However, you can edit your destination anytime PRIOR to the auction closing. Once the auction closes, it cannot be changed.

ADD-ON TO AN ANIMAL

- This is a flat dollar amount. You are not buying the animal, just adding money to the exhibitor’s bottom line.
- These auctions have a “hard” end time because the sale supporters aren’t outbid.
- Final add-ons through the online site will close on Monday, 6/28/21 @ 7PM.

PAYMENT ON ANIMAL

- The Buyer selects the destination at check out.
- The Buyer will have the option to pay at checkout or a JLA Committee Member will call as soon as the sale closes, to finalize payment details. Destination changes cannot be accommodated.
- We also will allow live pick up.
