EASTERN SIERRA TRI-COUNTY FAIR OPEN HORSE SHOW 2021

English Classes

Hunter Classes: To be shown over a course of at least eight fences with at least one change of lead. Judged on performance, manners, way of going and soundness. Martingales may be worn in over fences classes.

Hunters Under Saddle: HUS to be shown at a walk, trot, canter and hand gallop at Judges decision to back easily and stand quietly, no more than 6 entries to gallop at one time. Martingales may not be worn.

English Pleasure: To be shown at the walk, trot and canter both directions of the ring on a reasonably loose rein without undue restraint.

Hunter Hack: HACK To be shown at a walk, trot, canter both ways of the ring and hand gallop. To back easily and stand quietly. No more than 6 entries to gallop at one time. Any or All entries may be required to jump. Martingales may not be worn.

Hunt Seat Equitation: Riders should have a workmanlike appearance, seat and hands light and supple, conveying the impression of complete control should any emergency arise. **Over Fences:** Each exhibitor may circle once before approaching the first obstacle then proceed around the course keeping an even pace throughout.

Western Classes

In Western Divisions animals under 5yrs may show in a snaffle bit or hackamore and rider must use two hands on reins. Animals 6 yrs. and over must be shown in a bridle with one hand on reins. Animals shown in a bridle must use a standard western bit with maximum length no longer than 8" and a port no higher than 3 1/2". Joined mouth pieces are acceptable. No mechanical hackamores. No "bitless" bridles.

The above descriptions are for general information only. For detailed information please refer to the 2021 AQHA Rule Book.

Western Pleasure: To be shown at a flat-footed walk, free moving easy riding, two beat jog and three beat lope both directions of the ring on a reasonably loose rein without undue restraint. Horses may be asked to back. Extended gates may be called for by the judge. Entries shall be penalized for being on the wrong lead.

Western Riding: Judges the ability of horse to change leads precisely, easily and simultaneously using both hind and from legs. Following one of four patterns consisting of a log and a series of pylons, the horse and rider must change gates - from a walk to a jog or lope - throughout the pattern. Reward is given to the horse that changes fluidly and precisely between the middle of the pylons within the pattern.

Western Equitation: Riders to be judged on seat, hand, performance of the horse, appointments of horse and rider and suitability of horse to rider. To be shown at a walk, jog and lope both directions of the ring.

Western Horsemanship: Is designed to test the horsemanship abilities of youth and amateur riders using western tack. Divided into sections, riders first follow a prescribed pattern of maneuvers at a walk, trot or lope. Finalists ride as a group around the perimeter of the arena. Judging focuses on the rider's body position, seat in the saddle and ability to control the horse.

Trail Horse: Trail horses are required to work over and through obstacles. No horse may enter the trail course area until the course and judge are ready. Riders will be able to inspect the course on foot during the Judge's instructions prior to the start of the class. This class is judged on the performance of the horse over obstacles, with emphasis on manners, respect to the rider, and quality of movement. Credit will be given to horses' negotiation the obstacles with style and efficiency.

The above descriptions are for general information only. For detailed information please refer to the 2021 AQHA Rule Book.

Reining Horse: To rein a horse is not only to guide him, but also to control his every movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance indicated to comply. Any movement on his own must be considered a lack of or temporary loss of control.

Ranch Horse

The Ranch horse division demonstrates the performance and conformation of the working ranch horse. Exhibitors may show up to four horses. Four categories will be held. Category I: Ranch Riding, Ranch Trail, Category II: Ranch Reining, III Ranch Pleasure. Category IV: Ranch Conformation. Because this is a non-rated show, we allow cross-entering into other western classes. (If this show was rated cross-entering would not be allowed).

Class Participation: No horse less than 3yrs of age may exhibit. No hoof polishes. No braided or banded manes/tails or tail extensions. Trimming inside ears is discouraged. Trimming bridle paths is allowed, also trimming of fetlocks or excessive or long facial hair. Equipment with silver should not count over a good working outfit. Silver on bridles and saddles is discouraged. Holding the saddle horn with either hand will not be penalized in any class. Posting at trot is acceptable.

Ranch Riding: Horses shall be shown individually, and the class may be held inside or outside of an arena. The Ranch Riding Class measures the ability of the horse to be a pleasure to ride while being used as a means of conveyance from one ranch task to another.

Ranch Trail: The ranch trail class should test the horse's ability to cope with situations encountered in everyday riding.

Ranch Reining: The ranch reining class measures the ability of the stock horse to perform basic handling maneuvers.

Ranch Conformation: The purpose of ranch conformation is to preserve American Quarter Horse type by selection well-mannered individuals in the order of their resemblance to the breed ideal.

The above descriptions are for general information only. For detailed information please go to AQHA website or Stock Horse Texas 2021 Rules.
