## CLASS DESCRIPTIONS

### English Classes:

**Hunter Classes:** To be shown over a course of at least eight (8) fences with at least one (1) change of lead. Judged on performance, manners, way of going and soundness. Martingales may be worn in Over Fences classes.

**Hunter Hack:** To be shown at a walk, trot, and canter in both directions of the ring and hand gallop; to back up easily and stand quietly. No more than six (6) entries to gallop at one time. Any or all entries may be required to jump. Martingales may not be worn.

**Hunt Seat Equitation:** Riders should have a workmanlike appearance, seat, and light and supple hands, conveying the impression of complete control should any emergency arise. **Over Fences:** Each Exhibitor may circle once before approaching the first obstacle then proceed around the course keeping an even pace throughout.

**Hunter Under Saddle:** Horses are judged on the flat at a walk, trot, and canter. Emphasis is placed on smoothness of gait, free-flowing stride, and willingness to perform.

**English Pleasure:** To be shown at the walk, trot, and canter in both directions of the ring on a reasonably loose rein without undue restraint.

### Western Classes:

In Western Divisions animals under 5 yrs may show in a snaffle bit or hackamore and the rider must use two hands on the reins. Animals 6 yrs and over must be shown in a bridle with one hand on the reins. Animals shown in a bridle must use a standard western bit with maximum length no longer than 8" and a port no higher than 3-1/2". Joined mouthpieces are acceptable. **No mechanical hackamores. No "bitless" bridles.**

**Western Pleasure:** To be shown at a flat-footed walk, free moving, easy riding, two-beat jog and three-beat lope in both directions of the ring on a reasonably loose rein without undue restraint. Horses may be asked to back up. Extended gaits may be called for by the Judge. Entries shall be penalized for being on the wrong lead.

**Western Riding:** Judges the ability of the horse to change leads precisely, easily, and simultaneously, using both hind and forelegs. Must follow one of four patterns consisting of a log and a series of pylons and must change gaits – from a walk to a jog or lope – throughout the pattern. Credit is given to the horse that changes fluidly and precisely between the middle of the pylons within the pattern.

**Western Equitation:** Riders to be judged on seat, hand, performance of the horse, appearance of horse and rider, and suitability of horse to rider. To be shown at a walk, jog, and lope in both directions of the ring.

**Western Horsemanship:** This is designed to test the horsemanship abilities of youth and amateur riders using western tack. Divided into sections, riders follow a prescribed pattern of maneuvers at a walk, trot, or lope.

**Trail Horse:** Trail horses are required to work over and through obstacles. No horse may enter the trail course area until the course and Judge are ready. Riders will be able to inspect the course on foot for 15 minutes prior to the start of the class. This class is judged on the performance of the horse over obstacles, with emphasis on manners, response to the rider, and quality of movement. Credit will be given to the horse's negotiation of the obstacles with style and efficiency.

**Green Horse:** Horses in their first year of showing or that have shown during previous years in any recognized equine association in any Western classes, but have not won 25 points or more, or a World or Reserve World Championship, or a bronze horse medal in EWU (Erste Westernreiter Union) as of January 1 of the current show year. Points from all divisions (except Walk-Trot) will count and are cumulative in determining eligibility. In addition, as of January 1 of the current show year, horses may not have won \$2,500 or more in lifetime earnings under saddle in any Western class at any event in which the earnings are verifiable. Accuracy of eligibility is the responsibility of the owner and exhibitor and is subject to verification. A Green horse may be ridden in a shank bit or two-handed in a snaffle or bosal.

**Halter Class:** First and foremost, a balanced, as well as structurally correct, attractive, high quality, and well-muscled horse. This horse should be symmetrical from head to tail, with eye appeal that is a result of the blending of an attractive head; refined throat latch; well-proportioned, trim neck; long sloping shoulder; deep heart girth; short, strong back; long hip and croup. These characteristics should be coupled with straight, structurally correct legs and feet that are free of major deviation. The ideal horse should appear athletic and be uniformly well-muscled throughout with a well-defined and muscular forearm, chest, shoulder, stifle, and gaskin.

**The above descriptions are for general information only. For detailed information please refer to the 2022 AQHA Rule Book.**

### **Reining Classes:**

To rein a horse is not only to guide him, but also to control his every movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance indicated to comply. Any movement on his own must be considered a lack of, or temporary loss of, control.

**Open:** Any horse ridden by any rider. Points are earned by the horse.

**Amateur:** An amateur shall be defined as any person who has not directly shown, trained, given lessons, or assisted a spouse or immediate family in the training of a horse for remuneration in the five (5) previous calendar years. Points are earned by the horse/rider combination.

**Youth:** A class for youth 17 yrs and under. Age of youth is considered as of January 1 of the current show year. Youth may ride any horse. Points are earned by the horse/rider combination. A helmet is required.

## Versatility Ranch Horse:

The Versatility Ranch Horse Division demonstrates the performance versatility and conformation of the working ranch horse. Exhibitors may show up to four (4) horses. Four (4) categories will be held:

- Category I: Ranch Riding, Ranch Trail
- Category II: Ranch Reining
- Category III: Ranch Cutting, Ranch Cow Working
- Category IV: Ranch Conformation

Because this is a non-rated show, we allow cross-entering into other western classes. (If this show was rated cross-entering would not be allowed.)

**Class Participation:** No horse less than 3 yrs of age may exhibit. No hoof polish. No braided or banded manes/tails or tail extensions. Trimming inside ears is discouraged. Trimming bridle paths is allowed. Fetlocks or excessive or long facial hair is allowed. Equipment with silver should not count over a good working outfit. Silver on bridles and saddles is discouraged. Holding the saddle horn with either hand will not be penalized in any class. Posting at a trot is acceptable.

**Ranch Riding:** Horses shall be shown individually, and the class may be held inside or outside of an arena. The Ranch Riding Class measures the ability of the horse to be a pleasure to ride while being used as a means of conveyance from one ranch task to another.

**Ranch Trail:** The ranch trail class should test the horse's ability to cope with situations encountered in everyday riding.

**Ranch Reining:** The ranch reining class measures the ability of the stock horse to perform basic handling maneuvers.

**Ranch Cow Work:** The ideal stock horse must also be a cow horse and this class demonstrates and measures the horse's ability to do cow work.

**Ranch Cutting:** This class is judged on the ability of the horse to work a cow by separating it from the herd and holding it to demonstrate the horse's ability to work the cow.

**Ranch Conformation:** The purpose of ranch conformation is to preserve the American Quarter Horse type by selecting well-mannered individuals in order of the resemblance to the breed ideal.

The above descriptions are for general information only. For detailed information please go to the AQHA website to Stock Horse Texas 2022 Rules.
