2026 California Fair Season

Fairs showcase the best of California, highlighting our spirit and creativity, and celebrating our agricultural heritage through competition and community. Through exhibitions and other fair offerings, Californians gain a deeper appreciation for the effort, skill, and care that sustain our food systems and support rural communities.

Although we celebrate the annual fair season, with events that bring Californians together in honor of agriculture, fairgrounds throughout the year serve as gathering places that strengthen our communities in both celebration and times of hardship. They bring people together to share, to learn, and to help one another when it matters most.

Fairgrounds and fairs are the landscape of so many happy memories for generations of Californians. This season, we show our gratitude for the countless people who put in the time and energy needed to keep these traditions alive and meaningful year after year. We all look forward to a safe, successful, and memorable 2026 fair season.

Sincerely,

CALIFORNIA DEPARTMENT OF
FOOD & AGRICULTURE

Karen Ross, Secretary

January 26, 2026

On behalf of the California Department of Food and Agriculture, I am delighted to welcome you and to thank you for your involvement as we look ahead to the 2026 fair season. Each year, our fairs bring people together from every corner of our state to celebrate agriculture, community, and the dedication of those who make it all possible.

The heart of every fair lies in its people: families, volunteers, youth leaders, and countless others who share their talents and passions. Your participation as exhibitors strengthens these connections, turning each fair into a place where learning, collaboration, and pride in California agriculture come to life. We are especially grateful for the young people who engage through 4-H, FFA, Grange, and other youth programs. Their enthusiasm and commitment represent the future of agriculture, inspiring the next generation to value hard work, stewardship, and innovation. The skills they develop through these programs, such as leadership, responsibility, and community service, extend far beyond the fairgrounds and enrich the entire state. These experiences are supported by the very spaces that make them possible, which continue to serve their communities long after the fair season ends.

Our fairgrounds are more than event spaces; they are year-round centers of community life. They host educational workshops, local markets, and cultural celebrations that bring people together and strengthen our shared sense of belonging. During emergencies, they also serve as critical response and recovery sites, underscoring their role as essential community infrastructure. These roles highlight the enduring partnership between our fairgrounds and the exhibitors, volunteers, and communities that keep them thriving.

We recognize and deeply appreciate the effort, care, and time you invest in preparing for the fair. Your commitment ensures that these traditions continue to thrive and that agriculture remains at the heart of California's identity.

Thank you for your continued involvement and support. We look forward to another successful fair season and to celebrating the incredible spirit of California's agricultural community together.

Yours truly,

A handwritten signature in blue ink that reads 'Karen Ross'.

ADULT CODE OF CONDUCT

As the parent, guardian, leader or advisor of an animal exhibitor in the Tri-County Fair:

I believe my child should demonstrate his or her own ability, knowledge, and skill as a feeder, fitter and show person of a show animal. I understand that adults may NOT participate in my child's duty of washing, grooming, fitting, handling, or showing of his or her animal while at the fair.

I will ensure that my child follows the competition rules, and does not use abusive, questionable or unethical techniques in the feeding, caring, fitting, or showing of any animals. I will ensure that my child does not resort to fraudulent, illegal or deceptive practices while fitting or preparing the animal for show and will follow withdrawal protocol.

I have read and understand all of the rules and regulations found in the Livestock Handbook. I realize that

my child is responsible for:

- The proper care and humane treatment of animals before, during, and after exhibition and sale.
- The production of wholesome food when the exhibit animal is designated for market.

I will conduct myself at all times to be a credit to my child's organization, chapter, club, school, community, and family. I will follow proper procedures and chain of command if there is a conflict. **I will not post negative comments or conflict on social media.**

I am aware that **responsible alcohol use** is allowed on the fairgrounds, and I will limit my use of alcohol so that I set a proper example for my child and the children of others around me. I shall ensure that other adults are equally responsible in the use of alcohol around my child. I shall not use any drugs that are considered illegal at the federal, state or local level while on the fairgrounds.

I understand that direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect. I will not allow any person connected with my child's project to direct abusive or threatening conduct toward any show official. Protest rules can be found in the State Rules for California fairs at www.cdfs.ca.gov/fe.

I understand and agree that if I, my child, my child's supervisor or leader or any other adult or minor connected with my child's project or animal(s) break the rules, I will accept the final decision of the Tri-County Fair Management regarding the disqualification of my child and or the animal, the loss of prizes, the forfeiture of auction participation, loss of future eligibility, and forfeiture of any monetary award(s).

I understand that my minor child will not stay overnight at the Tri-County Fairgrounds without their parent or guardian present.

I accept that these entries are subject to the rules and regulations as published in the official Livestock Handbook. I further declare that all statements made in connection with my child's entries are true.

I will remember that children participate to have fun and that the competition is for the benefit of youth, not adults.

6. When an exhibitor can't show all their animals, only another junior livestock exhibitor exhibiting an animal at the TCF is eligible to assist them. Except in the case of excusable absence, the exhibitors must be present in the ring with animals for both show and sale unless prior arrangements have been made with the Fairground CEO.
7. All shows will start promptly at the indicated times. All exhibitors are expected to be at the show ring on time, with no exception.
