TRI-COUNTY FAIR SPECIAL AWARDS

Frank Blum Memorial Senior Citizen Sweepstakes

The Frank Blum Memorial Award is presented by the Blum Family each year to the senior citizen who has the most entries judged in the fair.

The award is \$100 and a special ribbon. Frank Blum, a resident of Chalfant Valley, became blind later in life. After his wife Anna passed away in 1991, he sought for something to fill his time. Gardening was his answer. Each year, preparing his entries for the fair was the highlight of Frank's summer. With the help of his family, he strove to enter more and more entries each year, often as many as 85 or more. He never made it to 100 entries, but it always was his goal. All summer long, his massive garden produced a huge variety of award-winning vegetables - and kept his children and grandchildren drowning in home-grown garden goodness. Frank passed away in 2000. The day before he passed, he was out in his garden, planting garlic in anticipation of the following year's fair. The Blum family remains an active part of the Bishop community. **Thank you, Blum Family!**

To be eligible for the Frank Blum Memorial Sweepstakes, the exhibitor must be 65 years of age or older and be an exhibitor at the 2025 Eastern Sierra Tri-County Fair. Please check the "Senior" Box on your entry form and state your age.

The award is based on the following

1. The number of items entered and judged in all departments by one exhibitor, age 65 or older.
2. The total numbers of awards issued to that exhibitor. The winner will be determined by a sweepstakes count.

Jim Tatum Memorial Green Thumb Award

Presented to Floricultural Entrant with the most ribbons in Potted Plants

Greg and Laura Smith and family want to continue to honor and remember the life of Jim Tatum and how much of his life he gave to the Tri-County Fair and our whole Community! Along with his wife Donna and their children, Jim dedicated 20 years of excellent service and unrivaled commitment to the Tri-County Fair. Not only did the Fair event thrive during his time as CEO but the grass was never greener or the flowers more beautiful on the entire Fairgrounds! Jim enjoyed sharing his love of growing things with others. Many of us continue to reap the benefits of his green thumb through the beautiful flowers and landscaping seen all around the City of Bishop! The award is \$100, a special ribbon and water can.

Chantal Debontridder Award

Chosen For The Most Outstanding Knitted Article

Chantal spent years volunteering at the Tri County Fairgrounds helping in the office by offering her hard work, dedication and many ideas. Her strong European accent and loud voice will always be around us. With her many talents, she was a great knitter. Fun fact about Chantal is that she taught herself how to knit while she was in boarding school in Belgium as a young child. The award is \$100 and a special ribbon.

ENTRIES MUST BE RECEIVED BY August 23, 2026

Danish System of Judging

SPECIAL AWARDS:

Overall Best of Show Award 9-19 Year Olds

Ribbon and Cash Awards for Best of Division \$3.00

Floriculture – Agriculture – Clothing/Quilts – Foods – Photography – Fine Art – Handicrafts – Misc.

Participation Ribbons 5-8 Year Olds

4-H EXHIBITOR AGE GROUPS

5-8 years old (Primary)

9-19 years old (Junior/Senior)

PREMIUMS PAID PER CLASS BY POINT SYSTEM

(Junior-Senior Division Only)

What is a point system? How much will each 4-H member receive in premiums? The 4-H Department will use a point system for calculating premium payments. For example, a 4-H member enters a Pumpkin Pie in Division 711, Class 4, and receives a 1st place ribbon. The 4-H member receives a total of 6 points. If the total number of points for all exhibitors at the 4-H Department was 1,000, and the total premium money available for the year was \$500, then each point would be worth \$0.50. The 4-H member with 6 points would then receive a premium check for \$3.00. Due to budget constraints and lower amounts of State Funding that is available, this point systems allows the 4-H Department to stay in budget while still awarding 4-H members for participation.

Point value to be determined by total number of points awarded. Based on the difficulty of making or growing a particular item, the number of points earned may be different in each division. The value of each point is the same. In all categories 3rd place will not receive any premium points, only a ribbon. Ribbons will be given to 1st, and 2nd place winners in addition to the premium payout.

4-H Youth Development Programs are non-traditional voluntary educational programs operated under the auspices of the University of California Cooperative Extension and the United States Department of Agriculture. Inyo and Mono Counties are third partner in the venture, providing funds for support staff and facilities. In Inyo and Mono Counties, 4-H serves its members via community clubs, after-school 4-H programs and other special programs.

4-H membership is open to all youth 5 years old to 18 years of age by Dec. 31st of the 4-H Program Year. The projects exhibited at the Eastern Sierra Tri-County Fair are the results of members' efforts under the supervision of adult volunteers. For additional information on the 4-H Youth Development Program in Inyo and Mono Counties, and to learn how you can join or become a volunteer leader, please contact the 4-H Office at (760) 873-7854.

4-H DEPARTMENT RULES

1. These Divisions and Classes are open to all 4-H Members in Inyo, Mono and Alpine Counties, as well as 4-H Members in those parts of Nevada listed in the Local Rules.
2. All entries in these Divisions must have been made, collected, grown, prepared and entered by the exhibitor who is enrolled in the 4-H Youth Program within one year of the opening day of the 2026 Fair.
3. 4-H Exhibitors MAY NOT enter the same Divisions in the Junior Department as they are entering in the 4-H Department.
4. 4-H Exhibitors DO NOT have to be in a specific project to enter an exhibit into a division.
5. 4-H Exhibitors MUST be enrolled in 4-H. Exhibitor's age as of December 31st of Program year must be on entry form. Exhibitors who were 9 years old by December 31st of the Program year should enter the Jr-Sr Division. Exhibitors under 9 years old (as of Dec 31) should enter the Primary (Mini Member) division.
6. LIMIT 6 ENTRIES PER EXHIBITOR PER CLASS. Entries must have differing characteristics.
7. 4-H Primary (5-8 year-old) Exhibitors ARE NOT subject to paying entry fees for their entries. Therefore, 4-H Primary Exhibitors entries ARE NOT judged nor are they eligible to receive 1st, 2nd or 3rd place awards or Best of Show awards for their entries. THEY WILL RECEIVE Participation Ribbons.
8. The Danish System of judging is based on established standards of quality for each type of product. In this system, each exhibit is judged according to how well it meets that standard, rather than how it compares with other exhibits.
9. Best of Show Winners are chosen from the 1st Place entries in each Division, unless otherwise noted.
